

# IDEA 7: BUILD ALL DAY

## Building block challenge!

Our Wooden construction table will be the foundation for hours of fun with these simply and easy games!

### What you'll need:

- Wooden construction table with storage
- Building blocks
- Timer

### Instructions:

Give kids five minutes to build the tallest tower they can. There will be giggles and laughs as they scramble to beat their buddies!

#### To make it a little more interesting can you:

- Build a tower as tall as yourself?
- Count how many blocks are in your tower?
- Build blocks with your eyes closed or one-handed?
