

Product Safety Recall

Unicorn and Dino Light Up Wand
Keycode – 42838104.

Available at Kmart stores in New Zealand between January - May 2020.

Defect: Button batteries in the product are easily accessible should the battery compartment come apart.

Hazard: If young children gain access to the button batteries and ingest them, they may suffer internal burn injuries, which can result in serious illness and even death. In addition, the batteries may pose a choking hazard to young children.

What to do: Customers should stop using these products immediately and return the products to any Kmart store in New Zealand for a full refund.

Contact Details: For more information please contact Kmart Customer Service
