Do you own this product?

Robo Alive Junior Robotic Baby Shark Bath Toy
SKU 42837442

Model number: 25282

Date code range: DG20190501 to DG20220619 (1 May 2019 to 19 June 2022)

Only Robo Alive Junior Robotic Baby Shark Bath Toys with a hard plastic top fin are to be recalled.

Why the product is recalled: Children using the toy particularly in a bathtub or wading pool can slip and fall or sit onto the hard plastic top fin.

Hazard: Children may suffer impalement, laceration or puncture injuries.

What you should do now: Stop using the product immediately and register to receive a refund via the link below. No receipt needed.

Visit <https://www.recallrtr.com/bathshark> or www.Zurutoys.com for more information.

0800-854-729 8am to 7pm (AEST) Monday to Friday
